Be Put Into Words**

A hand holding a smartphone, with a circular text overlay on the right side of the image. The background is a soft-focus outdoor scene, possibly a beach or a field, with a bright light source in the upper right corner.

Take a Photograph

We are going to go outside on a photography walk. Take photographs to illustrate how you feel today or how you felt in your story. Look for metaphors.

Write a Caption

Now that we're back in the classroom, write a caption for your photograph. For example, a caption for an image of a rock could be 'burdened and heavy.'
